

```
1 package Alumnos;
2
3 public class Principal {
4
5     public static void main(String[] args)
6     {
7         // TODO Auto-generated method stub
8         Alumno a1 = new Alumno();
9         System.out.println(a1.exp);
10
11     }
12
13 }
14
```
